

FIG.1.

FIG.1. A perspective view of a rectangular sign 2 mounted on a post 2a. The sign features a rectangular opening 3 containing a textured panel 5. A smaller rectangular opening 6 is located within the textured panel 5. A dashed line 4 indicates a boundary or fold within the sign assembly. A dashed line 7 indicates a boundary or fold within the textured panel 5. The sign is shown with perspective lines and a ground line at the base of the post 2a.

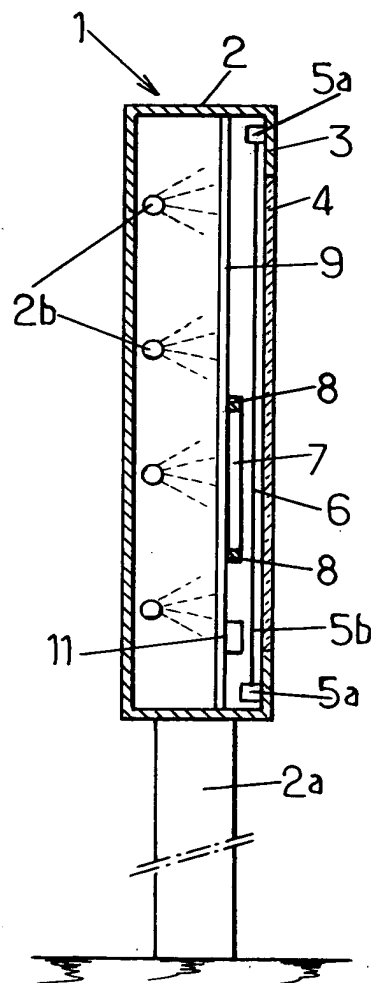

FIG.2.
